We are pleased to announce that the Mid-Michigan Environmental Action Council is teaming with the Tri County Environmental Leadership Awards to honor individuals, groups, and projects that have advanced environmental stewardship in our region. Our Annual Awards Fundraiser will be held on Thursday, April 20th, 6-9 pm, at the Lansing Brewing Company.

We invite you to join us in celebrating individuals and organizations who have excelled in their field and promote sustainability in our Tri-County Region communities. We honor our colleagues with one of Mid-MEAC's Pillars of Environmental Stewardship: Air Quality, Land Use, or Water Protection.
